- 12 Fresh N.E. hazy & overcast with
alternate showers throughout this day
This evening 10 o'clock, five small
boys landed at this Sta. having been
adrift in a day without aids,
thus being in such a predicament they
were unable to regain shore. The boys were
soaked through or in other words drenched
After serving them with sandwiches and
a hot drink the Keeper conveyed the boys
to shore paying their transportation on the
consolidated railroad to South Providence
from whence they came
