15 Fresh N.W. to N.E. winds moderating this evening
Clear & cool weather. Finished the fence this
day, Hurdy completed a long and tedious job
started April 3, The fence has been completely
rebuilt, using some of the lumber from the
buildings torn down here some time ago,
also considerable lot of lumber picked up from
time to time. So I think, the fence, as it is now
is good for many years to come, without any
further repairs

N.B.
